

Call Preannouncement and Webinar, May 2018

## **SOLAR-ERA.NET Cofund 2 Joint Call for the Solar Power Industry, Research and Innovation**

### **Call with funding budget of 22 million euros opens on 4 June 2018**

SOLAR-ERA.NET Cofund will launch its Joint Call in PV and CSP on 4 June 2018. 15 countries and regions participate in this call: Austria, Belgium-Flanders and Wallonia, Cyprus, France, Germany and North-Rhine-Westphalia, Greece, Israel, Italy, The Netherlands, Spain, Sweden, Switzerland and Turkey.

The total public funding budget is 22 million euros, covering topics in photovoltaics (PV) and concentrating solar power (CSP). Innovative project proposals are sought on transnational level between different European countries strengthening the competitive position of the European solar power industry. Preproposals have to be submitted not later than 2 October 2018.

The following topics are part of the SOLAR-ERA.NET Cofund 2 Joint Call:

- A) Advanced industrial PV technologies
- B) Emerging PV technologies
- C) Building and infrastructure integrated PV
- D) Operation and diagnosis of PV plants
- E) CSP low cost and next generation technologies

### **Join the Webinar on 21 June 2018– Register now**

Register now for the information and brokering webinar, latest by 11 June 2018. The webinar will take place on **Thursday, 21 June 2018, 11:00-12:30 CEDT** (Central European Daylight Time). Topics:

Hear about the core details of the SOLAR-ERA.NET Cofund 2 Joint Call and understand which partners are funding what type of projects.

Watch and / or show pitch presentations of project ideas with the aim of establishing new collaboration / consortia (number of presentations limited, max. three minutes per presentation).

Register here: <https://goo.gl/forms/X1slp7nBqcqUdb382>. For any further questions on the webinar, please contact [era-energia@aei.gob.es](mailto:era-energia@aei.gob.es).
